Exploration is permitted on the East islet accessed by the Landing Cove, and a small beach on the West islet called Frenchy's Cove. The middle islet and most of the western islet remain a wilderness area set aside for nesting seabirds like the endangered California brown pelican. Visitors can get up-close looks at many types of seabirds on East Anacapa all year round.

Santa Cruz is the largest island off the coast of California. Located between Anacapa and Santa Rosa Islands, it lies from 19-25 miles off the adjacent mainland coast between Ventura and Santa Barbara. The scenic beauty of Santa Cruz is reflected in its many landforms, including two rugged mountain ranges, the highest peaks on the Channel Islands, deep canyons, a central valley, year-round springs and streams, plus 77 miles of craggy coastline cliffs, giant sea caves, pristine tide pools and expansive beaches. Lying directly on the boundary between cold northern and warm southern waters, this island hosts unique plant, animal, and marine communities.

In 2017 USA Today named St. James Club one of the very best All-Inclusive resorts in the Caribbean. In Antigua, it's all about coconut and codfish at the St. James's Club on the southeast coast. On 100 acres, 240-rooms, suites and villas are close to four restaurants and the seaside grill on Mamora Beach. Rainbow Garden is where you'll find chef Dave Ralph cooking up an island storm of delectable edibles like shrimp and salty codfish dressed up in a tomato garlicky sauce, sides of callaloo and boiled bananas and his savory bowl of Fish Water filled to the brim with snapper and peppers. Ask for the national dish called fungee — pronounced foon-jee and sometimes spelled fungi — which is a robust mash of cornmeal and okra that looks and tastes like polenta. "Every cook adds his or her own touch to the recipes," explains Chef Ralph as he flits about the open-air restaurant, "these are dishes I have eaten since I was a small child and now as a chef, it's my pleasure to encourage our visitors to try them." For a sweet finish, coconut dumplings with a cinnamon sprinkle and rum balls infused with real rum hit a home run.

Tucked away on a secluded 100-acre peninsula on the southeastern coast of Antigua, the St. James's Club Resort & Villas exudes a casual, club-like ambience. This exclusive hideaway caters to couples, families and singles with plenty of amenities and activities. The resort has a longstanding reputation for exceptional, caring service. Here, guests can retreat from the world or enjoy a wide array of island and water-based diversions. Two white-sand beaches offer a host of fun-filled activities. Coco Beach is like an aquarium for snorkelers, while the calm waters of Mamora Bay are ideal for swimming. Guests can also sunbathe or dip into six distinctive swimming pools, succumb to the pleasures of a spa and salon, or stay plugged in at the Internet café. Exercise buffs also enjoy the resort's six tennis courts and Fitness Center, while families appreciate the resort's special children's area and the complimentary, award-winning Kidz Club. And when it comes to dining, the resort's four top-notch restaurants serve everything from casual to Continental cuisine.
